

# Redwood Room

## Description

The Redwood Room is our third classroom located closest to the West end of the Community Center and is 700 square feet. The classroom has a private restroom located inside as well as a sink area and counter space. The room is also equipped with a large pull down screen and projector capable of showing movies, presentations, watching television, and more. This classroom can hold up to 45 people with chairs and 25 people with tables and chairs. With nice window light, this classroom is a perfect fit for meetings or small parties. The Redwood Room also has a removable wall on the East end of the room , making it accommodating to large parties as well.

# Dogwood Room

## Description

The Dogwood room is our second classroom, sandwiched nicely in-between the Willow and Redwood rooms, and is 700 square feet. The classroom is used for recreation classes on a weekly basis and is adorned with the makings of a preschool classroom, perfect for your church youth group or small children's party. Inside the classroom you will find a sink with plenty of counter space, and a private restroom. This classroom can house up to 45 people with chairs only and 25 people with tables and chairs. With a removable wall on both ends, this classroom can be joined with one or both of the other classrooms to create more

# Willow Room

## Description

The Willow Room is just one of the three classrooms the Community Center has to offer. With plenty of window light, and a square footage of 700, the Willow Room is the perfect room to hold your meetings, presentation, or class. The room can hold up to 45 people with chairs only and 25 people with tables and chairs. The room is the last classroom on the East end of the building and can be joined with one or two of the other classrooms to create a larger space to accommodate your rental needs.
