

WEDDING PLANNING TIMELINE

Congratulations on your engagement and thank you for considering Al's Steakhouse as your wedding venue! We have put together some information to familiarize you with the details we will need to make your day a success.

AFTER BOOKING YOUR WEDDING

Please look carefully at your reservation confirmation (usually sent to you by email) to ensure that all of the information is correct. We can easily adjust the information as required, but please notify us if you need to make changes and keep us up-to-date with your plans.

1 MONTH BEFORE YOUR WEDDING

You will need to book an appointment for a planning meeting with Sam Saikali, to finalize your wedding details. Planning Meetings are available between 10:00 am and 4:00 pm, Monday to Friday. At this meeting we will discuss your menus, bar service, décor, table arrangements, time-line for events, etc.

2 WEEKS BEFORE YOUR WEDDING

We will contact you to confirm your guaranteed guest count. This is the number of guests that you will be financially responsible for. If no guest confirmation is received, we will use the most recent count given. At this time we also require a final menu selection, including any special meal requests such as vegetarian, allergy-sensitive, and kids meals.

1 DAY BEFORE YOUR WEDDING

Feel free to drop off any decor, place cards, table maps, etc. We will set-up these items for you on your wedding day according to our earlier discussions.

YOUR WEDDING DAY

You will have access to the function room starting at 8am the day of your wedding. Your florist, cake decorator, DJ, and wedding planner will also be allowed access at this time.

THE END OF THE EVENING

All décor, wedding cake, or other related items must be removed from the premises immediately following the event. We cannot be held responsible for any items left behind. We suggest that you organize some friends or family who will be in charge of removing all décor and gifts from Al's Steakhouse at the end of the event so you do not have to be concerned about this at the end of a long day.
