

CONGRATULATIONS ON YOUR ENGAGEMENT

Now that it is time to start planning your big day, Days Inn Oromocto would be honored to host your wedding reception.

When planning your wedding day, we understand that the little details are often the ones that set the tone. We are happy to help you with all of those details and do not worry, when it comes to the big day, we will sweat the small stuff so that you do not have to.

When you book your reception, if your guests book 15 or more rooms at the Inn, the wedding couple will receive a complimentary night in our Honey Moon Suite (Subject to availability).

Once you have made your decision to have your reception here at the Inn, a 50% deposit will be required to hold the space, \$100 non refundable. Your final bill will reflect your deposit amount deducted from the total.

If you have any questions or would like to have a tour of the facilities, please do not hesitate to call and speak with our Banquets coordinator.

We are ready to serve.
