Our picturesque hilltop site and natural beauty of the vineyards and winery are ideal for a unique and beautiful event. The magnificent, natural environment will enhance your wedding vision. It's a place where you can unplug from the real world, focusing on the people in your life that are invaluable.

We are the first winery in New England to be completely solar powered, and as environmentalists, practice sustainable agriculture. To maintain the vineyard's natural beauty, bluebird boxes are throughout the vineyard, wood duck boxes on the ponds, and homes for the barn owls, kestrels, and other wildlife natural to the area. Our 40 acre farm has been certified by the National Wildlife Federation as a natural bird and wildlife habitat.

*The winery and vineyards are situated on 40 pastoral acres of beautiful hilltop with a spectacular 35 mile view of the New England countryside. We are located in the Salmon River watershed area, minutes from the Goodspeed Opera House, Mohegan Sun Casino, the Norwich Inn & Spa and several state parks and hiking trails. Our close proximity to numerous activities makes for a wonderful get-away weekend for your family and guests.
We also partner with a number of area hotels and B&B's for your out of town guests.*

Priam Vineyards' International Award-Winning wines, voted Winery of the Year 2016, will compliment your event and impress your guests. Our wines are estate grown and produced on premises. Gourmet Galley Catering sources from our local farms to complete their menus. Combined, we can offer you a true, locally grown, artisan food and wine experience.
