All of our brides can have their outdoor bridal portraits taken on our beautiful campus at no charge. There is a small fee for indoor shoots.

Our historic Menke House was built in 1902 and moved to Festival Hill in 1978.

It is a beautiful location for you and your family to rest, gather and get ready for your big day!

The Albert and Ethel Herzstein Memorial Plaza is a fabulous, serene location for your reception. Its beauty and majesty are accentuated by the waterfalls and reclaimed statues from around the world.

The plaza stonework harkens back to styles and techniques popular during the Gothic Revival period.

Everything and everyone can be in one location! We offer several Artist Residences on our campus that can house your family and guests.

The Menke House is the perfect place for small receptions and rehearsal dinners.

Festival Hill is truly your wedding destination!

The stunning Edythe Bates Old Chapel was built in 1883 and moved to Festival Hill in 1994. It was lovingly restored to its original beauty and is the perfect location for your very special and intimate wedding.
