## *Weddings and Events at Fort Conde Inn & Village*

An arch of live oaks, storied pillars, brick-paved streets reserved for the event. With a village of cottages and four-star suites, this is where families gather and begin.

*Reception/event rooms* – Four large rooms flank the inn's center hall, each featuring soaring ceilings and architectural details. These four rooms—double parlors, reception and dining—and center hall total 2,000 square feet and can accommodate up to 100 guests.

*Outdoor venues* – The inn's interior spaces open to a marble-tiled front veranda, two courtyards and lawn. Beneath a canopy of live oaks, the brick-paved street can also be reserved and tented for large events of up to 500 guests.

*Cottages* – In addition to the main event rooms, the inn offers the Blakely and Gonzales cottages, ideal for family, friends and bridal parties. Each offers spacious living and dining rooms with full kitchens in addition to three bedrooms and two full baths. Front porches and private rear patios offer memorable places for family to gather.

## FOR GENERATIONS, THESE ROOMS SLEPT OVERLOOKING THE SKYLINE.

*Welcome your family and friends to accommodations as richly layered as our history.*

Enjoy the character of a historic landmark with the luxury and privacy of a modern boutique hotel. Each of our cottages and thirteen rooms—including five suites—features a mix of museum-quality antiques and modern reproductions complemented by premium entertainment technology, Kohler Air Tubs and l'Occitane bath amenities.

*Bridal suite* – Included in your wedding package is a spacious bridal suite with private balcony. Wake up and watch the day unfold as your life—past, future, friends and family—reaches a beautiful milestone.

*Bridesmaids' suite* – Far more than a changing room, this is an heirloom space for a lifetime of memories. Comfortable, spacious and hospitable, this suite will be one of the best-dressed members of your wedding party.

*Groomsmen's suite* – In historic homes like this, unmarried gentlemen had private accommodations for hearty conversation and drink. The groom-to-be and his party are invited to take part in that tradition at Fort Condé Inn.
