SPENCER LEADERSHIP
CENTRE

Thank you for your interest in the Ivey Spencer Leadership Centre. We want to congratulate you on your engagement! This is an exciting time in your life and we thank you for your consideration for this very special occasion.

The historic manor house features 30 acres of manicured parkland. Rich architectural details, grand staircases, and rustic footbridges provide limitless photo opportunities and multiple settings in which to host your ceremony and reception.

Host an alfresco exchange of vows in the picturesque gazebo on the back lawn, and then welcome your guests with cocktails on the exquisite patio. The main dining room can accommodate 200 guests for a standing reception or 180 seated guests. More intimate gatherings will feel right at home in the cozy Spencer's Dining Room, with its fireplace and private bar.

We know your wedding is more than just a day; it is the start of your new life together. We are honoured to be a part of this and give you our commitment to make your wedding unique and memorable.
