GENERAL CATERING INFORMATION

FOOD AND BEVERAGE

All food and beverage served in the hotel is to be provided by the hotel.

The hotel requires one menu for all guests. Menu planning, room set-ups and other pertinent details must be arranged 14 days before arrival date. All food and beverage items are subject to a 22% service charge and prevailing sales tax. All buffet functions fewer than thirty (30) persons are subject to a \$7.50 per person surcharge. Prices and items are subject to change.

If alcoholic beverages are to be served on the hotel premises (or elsewhere under the hotel's alcoholic beverage license) the hotel will require that beverages be dispensed only by hotel servers or bartenders. Beer kegs are not permitted. The hotel's alcoholic beverage license requires the hotel to (1) request proper identification (photo ID) of any person of questionable age and refuse alcoholic beverage service if the person is either under age or proper identification cannot be produced and (2) refuse alcoholic beverage service to any person who, in the hotel's judgement, appears intoxicated.

GUARANTEES

A guaranteed number is required three (3) business days prior to the function for ordering purposes. You will be billed for the guaranteed number or final attendance, whichever is greater. In the event that the hotel does not receive a firm number three (3) business days prior to the event, the expected number will serve as the guarantee. If your numbers increase after the three (3) business day guarantee deadline, our kitchen will make every effort to duplicate your menu for the additional guests. However, if this is not possible, a substitute meal will be provided to the additional guests.

SEATING/TABLE LINENS

Our banquet rooms can be set to your preference, depending upon the size of the group. Round tables will seat 10 persons. Special seating diagrams with numbered tables are available if there is assigned seating. Specialty linen and chair covers are available at an additional cost.
