FREQUENTLY ASKED QUESTIONS

Q: How late can our reception extend?

A: The reception may last until 11:00pm. However all DJ's/bands must stop at 10:00pm and last call for an event bar will be at 10pm, due to the location of our guest rooms noise must be kept at a minimum after 10pm.

Q: Do we need an appointment for a site visit?

A: Appointments are not mandatory, but are strongly recommended. By scheduling an appointment, we can ensure someone is available to meet with you and show you our facilities.

Q: Does the hotel decorate the banquet room for the wedding reception?

A: The hotel includes table/chair set-up, service ware, white table underlay linens and white table overlays, white or black napkins and white skirting. Anything additional can be ordered through an outside décor company.

Q: Does the hotel offer space for outside receptions?

A: Embassy Suites is an interior hotel boasting a beautiful indoor atrium, but unfortunately we do not offer outdoor receptions. We do utilize our atrium for cocktail hours and small receptions which have an open concept feel without the stress of inclement weather.

Q: Do you offer a changing room for the bridal party?

A: Due to our high occupancy levels we are unable to offer a changing room. We do have 2 boardrooms each available for a rental fee of \$200.00++ per day.

Q: Will our beach ceremony be private?

A: We offer exclusivity at our hotel and book one ceremony per night, however the hotel cannot close the beach to other guests, thus there may be others present on the beach and boardwalk. We cannot rope off any area due to emergency related ordinances.

Q: Are group discounts available if all our guests stay at the hotel?

A: Group discounting generally starts at 15 guest rooms or more, however we do offer some discounting for groups of 10 or more (some blackout dates for group rates may apply). We initially block up to 10-15 guest rooms (pending availability) for most weddings. You will need to contact the Group Sales Dept. (850-337-7065) to block off the guest rooms. Once the signed booking agreement is received it will take up to 3 business days to enter it into the system and then your guests can start making reservations. There is no pre-payment or credit card guarantee due from you for your guest room block, as we obtain the guests' credit card at time of booking so there is no liability to you. Please ensure callers advise the reservationists that they are with your group by giving the group name or group code assigned at booking so that they will get the applicable rate. Should all of the rooms be picked-up in the original block, we will add to the block prior to the contracted cutoff date, based on availability at that time. Group rates on shoulder dates (pre/post contracted dates) are **based on availability**.

Q: How long before we have to give you our final count for our banquet meal?

A: An estimate is due seven (7) days prior to the event date. The final/guaranteed guest count number is due three (3) business days prior to the event date. This final count (guarantee) is the number you will be charged unless you exceed your guarantee number, then you will be charged for the number of guests actually attending the event.

Q: If we are having our ceremony on your beach, will an alternate location be reserved in case of inclement weather?

A: You will be able to utilize your reception room or our indoor atrium patio for your wedding ceremony.

Q: Where do we park for our wedding?

A: Hotel parking is complimentary for our guests. Guests may also park in the parking lot across the street from the hotel.

Q: What time can I setup for my ceremony and reception?

A: Setup times vary depending on the time of year; please speak with your Director of Catering for your specific setup time.

Q: Can we bring in our own caterer to cater our wedding?

A: No. The hotel has its own in-house catering/banquet department and outside catering is **NOT** permitted, with the exception of wedding/groom's cake(s).

Q: What is the earliest we can check-in to our guest room?

A: Check-in time starts at 4:00 p.m. and is strictly enforced when the hotel is at high occupancy levels. In situations where the hotel is operating at a lower occupancy, an earlier check-in may be available. Please make a request for an early check-in when making your reservation, but note that requests are NOT guaranteed.

Q: What is your wedding deposit(s) and payment policy?

A: In order to secure the banquet space for your wedding a \$1,500.00 non-refundable deposit is due. You may pay the initial deposit by credit card, money order, cashier's check or cash. If a credit card is used, the balance will be charged to the card three (3) business days prior to the function date. Should you be paying cash for your balance, the balance must be paid in full five (5) business days prior to the event day. Please note that any form of a check is **NOT** accepted within three (3) weeks of the event date.

Q: Can we give our wedding attendees a welcome bag upon arrival?

A: Yes, but please note that we have a mandatory handling fee of \$50, plus tax and service charge to have *them distributed at the front desk*. There is a fee to have the bags delivered to the guest rooms: 1-10 bag/baskets: \$1.00 per bag, 11-20 bags/baskets: \$1.50 per bag, 21-50 bags/baskets: \$2.00 per bag, 51+ bags/baskets: \$3.00 per bag. **ALL BAGS MUST BE PROPERLY LABELED WITH THE GUEST NAME THAT IS REGISTERED AT THE HOTEL.**

Q: Does the hotel provide the officiant, extra décor, wedding cake, DJ, photographer or a wedding coordinator?

A: The hotel is not responsible for these items/details. The hotel is responsible for your event set-up, meal and bar service. We will secure and facilitate your event but these details are the sole responsibility of the client and the vendors they hire.

Q: Can we have a live band in your banquet room?

A: Yes. (Note that all music **must** end at 10:00pm). We do need to know, in advance, the number of pieces/members in the band to ensure enough space is allotted and that electrical requirements are sufficient.

Q: Can I reserve your beach site for a ceremony only?

A: The hotel requires that a reception be confirmed at the hotel following your ceremony in order to utilize our beach site. We cannot book a ceremony only.

Q: May I use confetti, glitter, small plastic jewels, sand, etc. as decoration at my reception?

A: If you choose to accent your tables with any type of the above, a cleanup fee will be applied to your final bill. Please clear this with the Director of Catering first.

Q: What if a few of my guests have a food allergy; require gluten free or vegetarian meals?

A: Specialty food items are available for your guests with special dietary needs. You will need to make your Director of Catering aware of any special menu items during the time you finalize your menu.

Q: I am not from the area, so how do I know what vendors to contact for my wedding?

A: Please refer to the included local vendor list for these items. You are not required to use vendors from the list, they are simply recommendations.

Q: Can the Director of Catering or Food and Beverage Manager act as the wedding coordinator?

A: The Director of Catering's and F&B Manager's obligation is to your reception (setup and food/bar service), and will not be available at all times for your ceremony. You must designate or hire a wedding coordinator for your rehearsal, ceremony and reception.

Q: Do you have a wheelchair ramp to access the beach?

A: Unfortunately, Embassy Suites-Destin does not have a wheelchair ramp to access the beach. The boardwalk access to our beach site is a stairway. The nearest non-stair access point to the beach is located about a mile west on Scenic Gulf Drive at Whales Tail-Seascape. The Walton County Sheriff's office can be hired to escort disabled guests to the ceremony site.

Q: Can the hotel staff or It's a Perfect Day Weddings assist me with my own personal wedding décor that I bring with me?

A: The hotel staff is not responsible for your personal décor items that you bring with you. Any décor items you bring into the event space will be your responsibility to set and pick-up after the duration of your events. It's a Perfect Day Weddings will not set or pick-up your personal décor unless this is arranged in advance with a wedding coordinator you have hired through them. Décor fees for setting or picking up your personal décor items may apply through their business. All décor items that you do order through It's a Perfect Day Weddings will be set and picked up by their company.
