Frequently Asked Questions

1. Do you offer / require premarital counseling?

I do not offer or require any classes prior to the ceremony. We will meet once to talk about your ceremony goals and make sure we're a good fit to work together.

2. Are you LGBTQ+ Friendly?

Absolutely! Religious, spiritual, or no mention of God, we can help you create the ceremony that fits your lifestyle. Casual or Formal, or somewhere in between, we can make sure that your ceremony fits the two of you, regardless of who the two of you are.

3. Can you assist us in finding other vendors?

We're happy to help, whether it's a venue, DJ, Photographer, or live music, I can help. With more than 5 years and more than 250 ceremonies, we've created great relationships with other Wedding Pros all over the area.

4. Do we have to have a license to get married?

Yes, you do! It is a crime in both Illinois and Missouri to conduct a wedding ceremony without a license. Each state has different requirements and restrictions. I'm happy to refer you to the correct office to get your specific concerns answered.
