Bar Options:

Many times, what to do with the bar is final decision made after seeing what is left in the budget. We try and work with each bride and groom. We do have a strict policy about no outside alcohol. If The Legends staff catches any person in the bridal party or associated with the party (ie dates/spouses) with outside alcohol the person responsible for paying will be subject to a \$500 fine. We take our alcohol permit very seriously and do not allow outside alcohol onsite.

Option 1: Cash bar- Bartender fee and setup already built into above quotes. No additional fees incurred.

Option 2: Open Bar- The Bartender will run a tab for all drinks obtained. At the end of the service the tally will be totaled, and a 20% gratuity added for the bartender. Bride and Groom may put parameters on the bar services.

Option 3: Purchase a beer and wine package.

Small party package 7 cases of domestic beer, 5 bottles of wine, unlimited soda (nonalcoholic drinks only) \$754

Medium party Package (150 usually). 12 cases of domestic beer, 10 bottles of wine, unlimited soda (nonalcoholic drinks only) \$1239
