

7400 LaGrange Rd. Suite 405, Louisville, KY 40222

Thank you for taking the time to inquire about KingFish banquets and catering. Whether you are looking for the perfect site to have a special occasion or you just need great food delivered to your party or event, we would love to take care of you.

Two separate banquet facilities, two separate spectacular views of the Ohio River. Our Louisville location, The Riverwatch Banquet Hall, located at 3021 Upper River Road can accommodate up to 220 people. The Riverview Banquet Room situated on the Jeffersonville riverfront, directly across from Downtown Louisville at 601 West Riverside Drive, can hold up to 80 people.

In addition to the 2 indoor facilities both locations have outdoor spaces that can accommodate parties upwards of 500 people. Our Louisville location makes the perfect site for a company picnic with all of its green space. Class reunions are common at our Jeffersonville location where our patio bar is a stone's throw from the city lights reflecting off of the river waters.

The attached information packet includes some of our most popular buffet menus or you are welcome to create your own buffet menu to compliment your event. Something not listed that you want? Just ask and we will do our best to accommodate.

If you have absolutely any question don't hesitate to contact me at 502-339-0565.

Sincerely

*Jackie Mossholder
Banquet Coordinator*
