Thank you for considering Crazy Uncle Mike's for your next event.

Crazy Uncle Mike's is a craft brewery, live music venue and scratch kitchen in North Boca Raton, and the home of, what we like to call, "fun dining." With over 14 styles of house brewed beer, a globally influenced menu and an eclectic line up of live music, Crazy Uncle Mike's delivers an experience unlike any other in South Florida. Whether you are looking to plan a night out with friends, host an event of any size or just have a bite and brew afterwork- we are the perfect place to enjoy a truly local experience. The atmosphere is inviting, the beer is cold, and the food is delicious. Pop in and enjoy.

The Brew-

Through years of experience at some of the country's most notable breweries, Brew master Cory Wilson has carefully curated an eclectic menu of house made beer. Cory's knack for introducing local ingredients to create international flavors has solidified his position as one of South Florida's top brew masters. With an extensive mix of IPA's, Stouts and Pilsners, there is surely something that will please your palate-no matter how simple or complex your taste might be. From the smooth and ultra-drinkable "Lite My Fire" to the potent and robust "Widow Jane" Coffee Bourbon Stout, there is certainly something delicious for everyone.

The Bites-

Executive Chef Tara Abrams uses fresh local ingredients to create a delicious variety of seasonal dishes. Having operated and worked in some of the most well-known kitchens in South Florida, Chef Tara takes pride in expressing her culinary creativity with each and every item on our menu. Take a walk on the spicy side with her take on the classic Nashville Hot Chicken or keep it healthy with any of her deliciously prepared salads. Whether it's a quick appetizer or a 3-course feast for the ages, Chef Tara will find that sweet spot with flavor combinations you won't find anywhere else in town.

The Beats-

South Florida has always been fertile ground for some of the country's best musical talent, and it's on display 7 days a week here at Crazy Uncle Mike's. Our venue is over 4000 square feet and has seating for almost 200, but the space is wide open so there isn't a bad seat in the house. Our oversized stage, great acoustics and state of the art sound system make for an environment where many great bands simply love to play. In just over a year, Crazy Uncle Mike's has already become a regular home base for local heavy hitters such as Crazy Train, The Flyers Uproot Hootenanny, Unlimited Devotion and many others.
