## WINE SELECTIONS

---

Our staff will assist you in choosing the wine selections for your event. For Open Bar packages, clients are invited to a group wine tasting to sample the available wines. Available varietals differ between seasons and vintages change frequently. If a wine you choose at the tasting becomes unavailable prior to your wedding, a comparable alternative will be chosen by Stevenson Ridge. Therefore we ask that you attend a wine tasting no more than four months prior to your wedding.

## BAR SERVICE

---

Our professional bar staff rates are \$25/hour per staff member. We require one bar staff per 75 guests. Bar staffing begins 1-2 hours prior to the reception and ends 1 hour after. On average, a 5-hour reception requires bar staffing of 7 hours total per bartender. **Gratuity is not included.** Either a gratuity-designated container will be placed at the bar or a 10% gratuity will be added to the balance. This 10% gratuity will be based on the beverage cost only; mixed beverage package gratuities will be based on the Premium package cost (not Top Shelf).
