Weddings at Silver Lakes

Your Day, Your Way

YOUR WEDDING IS A BIG DEAL.

We at Silver Lakes know how important it is that everything be perfect on your special day. We are here to make sure that your wedding is everything you had hoped it would be and more.

The natural beauty of Silver Lakes, nestled along the meandering Holland River, will take your breath away. Mature forests of oak, maple, birch and ash are a stunning backdrop to our quiet lakes and rolling hills.

You can have your ceremony outdoors along the water's edge of Blue Heron Lakelet, followed by an outdoor cocktail party at our Pavilion. Create the perfect wedding album by taking advantage of our stunning views for your photos.

Get ready in our new private Bridal Suite. Yours is the only wedding so you can relax and take your time - Silver Lakes is yours for the day.

After dancing the night away your guests can catch a breath of fresh air on the private East Terrace or enjoy a quiet moment in our newly converted lounge, The Lakes.

Our Executive Chef has prepared a fabulous meal for your guests. We offer plenty of choice but can further customize the menu to your individual preferences. Just ask, we are at your service.

At Silver Lakes, we want to be part of the "Before" and "Happily Ever After." Included in your package is a complimentary Best Man "4-Ball" (green fees for four) so you can get to know us before the Big Day. For your one-year anniversary, please come see us again and accept our invitation for a round of golf for two.

Silver Lakes offers an all-inclusive (tax and service charges included) wedding package to make the whole process that much easier.

Please call and we can answer all of your questions.

The best is yet to come.
