## Campus Options

### Lakeview Rooms

Up to 3,000 square feet of flexible meeting space located in the main museum center. This room can accommodate up to 200 guests at round tables or be divided into three separate meeting rooms. The rooms are climate controlled with built-in screens and offer outdoor access to Lake Severin. Meetings booked in these rooms include access to the Museum's permanent gallery collection at no additional charge providing unique entertainment options for your guests. The Museum also has a staff of interpreters available for hire for added entertainment.

### 1905 Barn

Our rustic two-story barn is a spectacular spot for a special dinner or company retreat like no other. This renovated, rustic Barn is tucked away in the Victorian Village and is complete with a custom vintage bar, elevator and private restrooms. The large barn doors spill out to scenic areas in all directions and offers plenty of outdoor space for lawn games or outdoor activities. Assisted heating available. Dinner seating up to 200 guests.

### Chamberlain Hotel

The Chamberlain Hotel is a two-story replica home built in the 1860s from Caledonia, IL. This climate-controlled venue is located in the Victorian Village across from the Gazebo with private gated entrance. The hotel is equipped with private restrooms, a kitchen, dining room and seating for up to 40 guests. The perfect venue for a bridal or baby shower or unique corporate retreat.

### Moonlight Garden & Heritage Garden Park

The Moonlight Garden is located near parking with private gated entrance. This distinctive garden offers a beautiful arbor for a perfect photo backdrop and can seat up to 200 guests. The Heritage Garden is located in the Victorian Village and offers a private entrance and large gazebo for entertainment. This gorgeous venue, with bounds of flowers, seats up to 200 guests.
