

AMENITIES & INCLUSIONS

Onsite Day of Venue Manager & Coordinator: One of our complimentary inclusions.

- A knowledgeable member of our staff will be onsite and available for your entire event to help in any way possible to make sure everything runs smoothly.

Outdoor Arbors & Areas: We have lovely and natural outdoor areas for Ceremonies, Receptions & Private Events.

- If you are booking one of our Walk-in & Wed Elopement or Micro-Wedding & Reception Packages, and choose to have your ceremony at one of our outdoor arbors, the arbor of your choice will be pre-decorated and awaiting your arrival, set-up with our chairs.
- For Micro-Wedding & Reception Packages and Private Events, you can do your own decorations, or rent your choice of tables and chairs and having them delivered, if you prefer.
- Outdoor areas to consider when planning the set-up for your event:
 - Covered flagstone front porch
 - Covered flagstone back porch and open-air patio, with lots of open space under the trees just off the patio with outdoor tables & chairs.
 - Our au-naturelle setting in the treed Courtyard area between The Stone House Chapel and The Ruby Chapel, also a lovely space to set-up tables and chairs.
 - Both of the last two areas are decorated with bistro lights.

Music All Around: Designed for personalized and harmonious entertaining.

- Because we have speakers all around you don't have to blast the sound.
- With our state of the art MusicCast sound system, you can create cohesive music in all areas, inside and out:
 - The MusicCast system is controlled by using one of our 3-Fire-Tablets or streaming from your phone.
 - The volume of each set of speakers can be adjusted independently.
 - Our system accommodates Bluetooth so you can stream Pandora, Spotify, SiriusXM, etc., account, from your phone or from the Fire Tablets, or select from our collection of music.
- We have neighbors, so we don't do raucous, and we keep our events small so it doesn't get unruly. We have rules regarding decibel levels and cutoff times, which are as liberal as we feel they can be.
- If you want to go live, we allow unplugged acoustical music outside (see our Rules & Regs)
- Live, amplified music and DJ's are perfectly acceptable inside The Stone House Chapel or in the acoustically sound-boarded Ruby Chapel (originally our music-obsessed father's private "concert hall" and movie theater).

Colored Lights: Reflect your mood & spirit with our remote controlled, Phillips Hue, color-changing lighting system:

- In areas, both inside and out, we will work with you to create any color in the spectrum you desire for your event.
- Our lights can also be set to dance to the music, which is tons of fun!

Bistro Lights: Fun & festive evening events come to life with outdoor bistro lights.

- We have 400' of pre-hung bistro lights in the trees in 3 outdoor areas for your ease and enjoyment.

Simple Decor: Delicate & delightful silk flower decor and remote-controlled flameless candles add a lovely ambiance to your wedding or event.

- For events 6-hours or more, we can remove our decor, should you prefer to use your own.

Gift & Cake Tables: We provide beautiful table settings in both chapels for cake service, bubbly toasts, and gifts.

- Our Walk-in & Wed packages include cake stands, cake cutter, ice bucket, napkins, plastic champagne & beverage glasses, plates, and utensils, or you can bring your own.

TV's for Streaming:

- We have 4-flat screen TV's throughout The Stone House Chapel where you can plug-in and play your slideshows, or personal videos.
- At The Ruby Chapel we have 1-small flat screen TV and a 15' movie screen.

Onsite Movie Theater: Now converted to The Ruby Chapel, originally a private movie theater.

- Some of our packages include use of the "theater," in which case we will turn on the overhead projector and pull back the red velvet curtains to reveal the 15' movie screen so that you can play a slideshow, personal videos, or even have a movie or sporting event running in the background during your reception, cocktail party, etc.
- The theater, especially when bundled with The Stone House Chapel and all of the outdoor areas, lends itself to all sorts of fabulous Private Events & parties:
 - Day-long sports viewing parties with buddies, game-day food, multiple TV screens playing in all areas, the game being piped through the speakers inside the buildings and in all the outdoor areas, so no matter where you walk, stand, or sit, you don't miss a moment of the game!
 - Business meetings and trainings, with lunch served outside or at The Stone House Chapel.

- Set The Ruby Chapel/Theater up like a bistro with cocktail tables, hire some live entertainment, serve dinner at The Stone House Chapel, hang-out in between under the lighted trees and have a blast.
- How about Dinner and a Movie Party...
- Rent it out for rehearsals & auditions...
- What kind of party do you want to create?

Ample Free Parking: We have 7-acres, so there's plenty of room to park:

- You can park just about anywhere off the roads on the property
- We do require that you park on the property and not on the street.
- Valet parking service is not required, but you are certainly welcome to contract with our valet service or yours if you prefer.

Gourmet Kitchen: Fully appointed and a pleasure to work in.

- Huge butcher-block island for food prep and serving
- 6-burner commercial gas stove with two electric ovens, the larger of which is a convection oven.
- Sub-Zero refrigerator/freezer
- Dishwasher
- Infrared-propane BBQ and separate electric smoker on the back patio.
- For the most part, whether you're doing DIY or catered food for your event, the use of the kitchen is limited to pre-prepared foods being heated and prepped for service.
 - If you would like to host an event in which you would be cooking and not just prepping in the kitchen, contact us; we'll do our best to accommodate.

Free WiFi for Streaming: Share your special moments with loved ones who couldn't be there to celebrate with you.

- Use our WiFi & tripod and your phone to memorialize your special day by streaming your ceremony, engagement announcement, marriage proposal, etc., with family and friends via Skype, Face-Time, WhatsApp, etc.
