

14 Pews is the last wooden church in the Heights!

Contact us @ info@14pews.com

Long time ago, 800 Aurora Street was the East Sunset Church of Christ known for its amazing choir. Song has resonated in this wood for over 60-years!

Then in the late '90s to 2008, 800 Aurora Street was the home of the beloved Aurora Picture Show.

Inside the measurements have remained the same 35.5 ft x 27.5 ft

Our 14 pews fit comfortably 84 people, (that's 8 per pew)
however we have had 101 people squeeze in for our Theremin Festival

The measurements of our stage are 105 inches x 184 inches

There is free parking on the street. Just be respectful to our neighbors and not park in their driveways or in front of a fire hydrant!

We have a large back yard that can accommodate 100 people. We can easily fit (8) 8 round top tables – which comfortably sits 64 people. We also have 8 additional high cocktail tables (36 inches wide) which easily accommodates 32 people who wish to stand. We suggest you rent the large round tables and linens at Aztec Rentals.

Photographers love photographing at 14 Pews and we encourage them to try creative shots. We also have a list of wedding photographers which we can recommend.
