

The MOTOmuseum houses a private collection of unique motorcycles obtained from over 20 countries from around the globe covering almost 100 years of motorcycle history. The museum consists of 6 galleries each representing a different region of the world. There are two main galleries which can be leased individually or together. The MOTOmuseum can seat from 20 – 400 guests for a sit-down dinner and up to 1000 people for a stand-up reception.

Weekend rates are as follows: The entire museum rents for \$2500. The rental cost includes tables and chairs. The cost does not include linen, china, glassware, silverware or wait staff personnel for the evening. The entire museum comes with state-of-the-art AV equipment, broad band internet and surround sound. This is included in your facility fee.
