Tour

First time here? Take a guided tour with our Catering Manager to discuss options and ideas to fit your vision! You can also place a temporary hold on a date you're interested in.

Vendor Selection

Booking confirmed? Take a breather! Then begin assembling your vendor team. If you need recommendations, we're happy to help! The Reserve Club does not have required vendors.

Deposit Due

A second deposit is due **2 months before** the wedding. Your Catering Manager can give you the amount due.

Final Guest Count & Payment

One week before the wedding, your final guest count will be due. After receiving your count, your final balance will be due for all items.

Booking

Ready to take the leap? Let us know and we'll get your contract ready. Contract and deposit are required to hold your date.

Menu

When you're ready, your Reserve Catering Manager and our Executive Chef will meet for your tasting and discuss options for your food and drink. This may be followed up with one or two menu revisions to get all of your details just right. We recommend beginning this process at least **3 months before** the wedding.

Final Details Due

We ask that your floor plan, food menu, drink menu, and a brief timeline are submitted to us at least **1 month before** the wedding.

Wedding Rehearsal

Almost there! We'll see you the day before for your rehearsal. If you need to drop off decorations at this time, coordinate ahead of time with your Catering Manager to make sure there is space available.

It's finally here! Arrive at The Reserve Club on your wedding day relaxed and ready to enjoy the best day of your life. If you've decided to get ready on-site, you'll be greeted by your Reserve Club Manager to help you with anything you'll need throughout the day. If we won't see you until ceremony or reception time, rest assured we'll be coordinating with your vendor team throughout the day and will have everything perfect for your grand entrance!
