

GRAND REOPENING—MAY 2020

The Lodge at Pickwick Landing sits on the banks of Pickwick Lake in southern Tennessee. From the golf course to the lake, the hotel and surrounding Pickwick Landing State Park are worlds away from ordinary. Located just north of the Alabama and Mississippi state lines, the Lodge at Pickwick Landing has the amenities and experiences to make your next meeting exceptional.

MEETINGS REIMAGINED

The venue market between Memphis and Huntsville is limited. There are very few places for groups in southern Tennessee and north Mississippi to gather together in the outdoors. Tennessee State Parks set out to solve this problem by creating a destination where people can enjoy the creativity and rest that only nature provides. The Lodge at Pickwick Landing is the perfect spot for your next meeting.
