## Your Experience

### What Couples Love About Us

"A picture perfect wedding for a Disney Princess, that's exactly how I can describe my wedding. Allison Jones, otherwise known as the wedding guru or the Hyatt's Wedding Master, made the process so simple but also remembered to pay attention to all the small details and that made everything more magical. Encore Event Technologies did an absolutely amazing job on the lighting and the spotlight by far stood out as one of the best additions to my reception. The caring Hyatt staff made sure all of our guests were taken care of quickly and served with hot food. I heard many people commenting about how at other weddings they've attended, their food was cold by the time they got it but not at mine. The atmosphere was lively and electrifying but what really sent the guests over the edge was the fabulous late night french fry bar! The late night snack came out at the perfect time and it even made some of the older people who might have left earlier, stick around just a little bit longer for some good food!"

--Jessica Cline, Bride

"As my Fiance adn I searched for venues in the Pittsburgh area, we were immediately drawn to the beautiful space at the Hyatt Regency Pittsburgh International Airport. Little did we know that the newly decorated lobby and ballroom spaces were two small reasons why we chose to have our wedding there. We worked with Allison Jones as well as many other banquet and hotel staff. Each person we met was just as nice and accommodating as the next. Everyone was more than willing to answer questions, give recommendations and provide options for things we wanted to incorporate during our wedding celebration. Leading up to the week of the wedding, staff kindly greeted me at the door to assist with anything I had to carry to lead me to where I needed to go. On our wedding day, everything from the decor, to the food, to the amazing staff was simply perfect for us. Since our wedding in July, I highly recommend the Hyatt Regency Pittsburgh to anyone searching for the perfect venue."

--Ryan and Catherine Taylor, Groom and Bride

"Our wedding experience at the Hyatt Regency was truly exceptional. From the very beginning of the venue selection process to the extra hour of bar and dancing the day of, everything was enjoyable and completely stress-free. Allison and the staff genuinely strive to make your wedding day perfect and memorable for everyone. They went above and beyond to accommodate every special request we had in order to make the day exactly what we had imagined, and they sure did deliver! We would highly recommend the Hyatt Regency as a wedding venue in Pittsburgh - it is perfect, spacious and modern designed hotel ballroom, with a group of fabulous staff supporting it. We are forever grateful that we were able to celebrate our wedding day there!"
