GROUP MENU

ABOUT US...

Grupo Anderson's, which started in 1969, has been the "infamous party scene" for more than 40 years. Señor Frog's is the flagship brand of Grupo Anderson's restaurant group and is world-renowned for its energetic party atmosphere.

If you've ever been to a Señor Frog's anywhere around the world, you know we have daily live music, DJs, contests, karaoke and more! Our bar is always going into the early morning hours.

If we were making a profile on the latest dating app, we'd describe ourselves as fun, outgoing, energetic and incredibly good looking.

While the good looking part might be a stretch, we feel the rest of it describes us perfectly.

Señor Frog's is a place where people from all over the world come together to sing, dance, and have a good time. At Señor Frog's, you make the rules!
