

Holland Lake Lodge

Montana's Hidden Gem

Holland Lake Lodge is a rustic lakeside resort with genuine Montana charm, surrounded by stunning views of two mountain ranges, a pristine lake, and a 100-foot waterfall. We call these surroundings spectacular solitude.

Enjoy breathtaking sunsets, the fresh mountain air over the lake, hikes to the roaring falls, delicious dinners prepared by chef under the open sky, crackling fires among the stars, and cozy wooden rooms and cabins during your *45-hour, two-night*, fully customized and coordinated wedding celebration.

Planning Your Celebration

What We Bring to the Table

Each wedding package guarantees *exclusive* use of the front lawn and point area each evening. We provide a full liquor bar; setup and takedown of all tables, chairs, linens, and glassware; two-night accommodations for 45 of your guests; and hosting for up to 50 guests per evening. Our on-site wedding coordinator will provide extensive coordination during and prior to the celebration, for smooth sailing (or paddleboarding).

This means you can *relax and enjoy* your wedding weekend (and the scenery), while we make sure everything goes according to plan.

The Lodge provides reception and welcome dinners for all of your guests featuring *fresh, hand-crafted* meals from the restaurant and customized menus. We have professionally trained event staff on hand to service your celebration.

In addition to food, we provide tables, white resin wedding chairs, white cordon blue dishware, heavy European flatware, glassware (including wine glasses and champagne flutes), table linens, and cloth napkins for the ceremony and both dinners. The Lodge has an extensive wine list and full licensed liquor bar.

*"I can't imagine
having my wedding
anywhere else."*

"The backdrop was amazing, and the Lodge staff were equally fantastic...they handled it all with grace and skill. My out-of-town guests have since commented on how impressed they were with everything at the lodge. I would do it all over again."

Karen & Christian

On-Site Wedding Coordination

"I've hosted over 200 couples at the Lodge since 1999, and no two weddings have been the same. Holland Lake is one of the most spectacular settings for a wedding, and it's my job to make the Lodge special for each celebration. We are committed to creating the wedding of your dreams."

- *Christian Wohlfeil*

"I have had the privilege to work closely with Christian and many brides and grooms, facilitating events set against the incredible backdrop of the lake and Holland Falls. My son, Ryan, married Emily here in 2018, and it was the most fabulous weekend. And no, I did not work that celebration!"
