Welcome to the Celebrations Banquet Hall! We know how exciting this time is for you both and we are so pleased that you took the time to think of us! Over the course of the last 21 years, we have hosted more than 1,000 weddings. This experience allows us to provide you with an unmatched attention to detail and individualized customization for an unforgettable wedding day experience.

We have the unique ability to host both your ceremony and reception on our private grounds. Our outdoor gazebo is a gorgeous place to say "I do." Regardless of the time of year you choose to tie the knot, our grounds are the perfect place for exquisite wedding day pictures. From the fresh greens and tiny flowers of Spring to the ever changing leaves that Pennsylvania's Autumn brings, we've got a spot for you.

Our recently remodeled hall has a 300 person capacity. Attached to our hall is a small deck that can seat 30 people and is included in your rental to use however you see fit. We also have a large, heated and covered deck that can comfortably seat 80 guests and boasts a large full service bar. This deck is perfect to use for your cocktail hour or as an extra seating area during your big day.

All of our packages are completely customizable so if you are looking for something that you do not see, please do not hesitate to ask. We are more than happy to do everything we can to make sure you get precisely what you have always dreamed of.

We cannot wait to start planning your special day!

We very much look forward to hearing from you. Please contact Mat Deveaney to set up an appointment so you can see all of the amenities we have to offer. We look forward to working with you!
