

OUR PRODUCTS AND SERVICES

Mitchell Hill BBQ's reputation for quality, reasonable prices and service are top notch!

We take great pride in our product.

Our meats are slowly smoked using our own rubs and brines.

All our sides and sauces are prepared in house using our own recipes.

Of course, our BBQ is the number one choice for catering, however we can accommodate any style of foods.

On The Road

Bob and "Uncle" built this portable smoker in 2009.

It houses a smoker, grill and steamer.

This is where it all began.

We started our catering business in the spring of 2010.

" We're frequent here and decided to use their catering service as well. We had some hiccups, but they were always quick to answer the phone, or return a call in a timely manner. Talked to Rocky the day before, and Bob called morning of. Very accommodating and served the food as of schedule. The attention to every little detail is like no other. " A. Johnson
