"We had an amazing experience at The Venue at 501 for our wedding. Natalie was so helpful throughout the planning process and made our day run so smoothly. The venue itself is beautiful and has everything a bride could ask for! We were able to have our rehearsal dinner at the 505 Cafe and stayed in one of The Upper Rooms for the weekend. I would recommend this venue to anyone!"

"I felt that the staff at Venue 501 went above and beyond to make sure they day went perfect. They took care of every single detail and ensure that I (the bride) didn't have to worry about a thing!"

"This venue is not only absolutely stunning and convenient with the ceremony and reception all in the same building but their air bnb rooms connected to the venue make the perfect spot to get your girls ready in and they are beautiful for pictures! Also, their coordinator makes the entire experience seamless. She works with you every step of the way and helps make your event perfect. 10/10 recommend this venue for tour wedding!"
