We would highly recommend this venue for anyone looking for a unique and special place to get married!"

Ceremony Sites

We have two gorgeous ceremony locations at Venue 5126.

Our outdoor location, The Pergola, overlooks 500 acres of stunning farmland. Our indoor location, The Barn, is dressed with wooden walls, twig lights and beautiful chandeliers. Our barn also acts as our inclement weather location.

Dinner Tent

Our gorgeous triple peak tent is the perfect blank slate to showcase your wedding colors and theme. We have 25 round guest tables available and each table fits 8-10 guests. For the head table we typically use our wooden farm tables and these can be placed in the middle of the tent under our unique ladders or against the field wall. The sides of the tent open up so your guests can enjoy the beautiful breeze coming from the field nearby.

Sweet Reviews

"From the staff, to the beautiful venue, to literally everything, they went above and beyond to make my day absolutely perfect and my exact vision. On top of that, I was a bride majorly affected by the pandemic. Kristen and all of the – team, worked closely with me to reschedule my wedding 3 times and managed to remain calm and encouraging while I felt my day was never going to happen. They went above and beyond to not just make my day happen, but to make our wedding the most gorgeous, special, memorable day I've ever experienced. I still have family and friends complementing my wedding and expressing how completely gorgeous our venue was! If you want a day you'll never forget, at the most incredible/gorgeous venue, with the best rental options and sweetest of teams - book- now! I promise you won't regret it."

"We truly are so grateful for our experience -. It blew all of the other venues we previously visited (including the one we originally booked) out of the water. The barn and tent were so beautiful. The field we were able to have our ceremony in was so beautiful, and that patio!! It was amazing with the most perfect sunset and the view of the field was perfect for our bride/groom portraits. Our guests were blown away at how wonderful it was. We feel so lucky to have found – and that we were able to have our wedding there. There isn't a more beautiful place or staff!!!!"

"We held our wedding here on 10/17/21. It was the second venue we had toured and we loved everything about it! We wanted a fall wedding and the outside space was perfect for our ceremony. The beautiful barn and tent were great spaces for our coffee "cocktail" hour and brunch buffet. Kristen was our coordinator and was extremely helpful through the entire planning process! We also booked our catering and desserts through them and everyone loved our food. The venue is beautiful all on its own, but it's also a fun space to add your own decor for your big day. Over two months later and we still have guests talking about our wedding! We couldn't have done it without the team -. Book your wedding here!"
