

La Jolla Ballroom, a historical building built in 1928, has over 6,000 square feet and a capacity of 220 people. The founders, with well over 20 years of experience in South Florida, lead our team of experts to attend to every detail of your special event. Our building is covered by natural greenery and is inspired by the beauty you see as you walk through the streets of Spain and holds the rustic and vintage feel of Coral Gables.
