NEED FOOD?

WE GOTCHU.

We don't have a kitchen, but book a rotating lineup of outstanding pop-up food vendors for each day that we are open. Check out our calendar to see what's cooking on the day of your party! We'll give them a heads up you're coming.

If you want to add a private food vendor to your party, you have two choices:

- (1) We can give you a list of our preferred vendors, and you can arrange directly with the vendor.
- (2) You can let us know what cuisine you'd like and at what price point; we can work with our vendors on a quote and add it onto your package pricing.
