## Thank you for thinking of us for your special day!

Just a little about us! The name Mound Grove Farms was the original name of the property built by Jesse Coover in the 1850's. The Barn now houses the bar, restaurant and pro-shop downstairs leaving plenty of room upstairs for up to 200 people with a dance floor for your reception. The Biebel family opened the 18-hole regulation length public golf course in 1993 as a promise to keep the land green and making Mound Grove Golf Course & Recreation the place to be! We are more than golf... Whether you are looking for a country rustic setting, gorgeously groomed golf course or an 1800 Family Estate we have plenty of room with plenty of options.

### Things to Keep In Mind:

- Remember to bring extra containers for your extra Cake, Cupcakes or Cookies
- Remember your Cake Server & Knife set to cut your cake
- No Open Flames in the Barn—you can use battery-operated tea lights and candles
- You can do a “Sparkler Send-Off” outside the Barn Door Entrance
- Your DJ & Photographer are more than welcome to visit the Barn & Ceremony locations ahead of time—we actually encourage them to come. DJ’s can be shown where outlets are located inside and outside the barn....and your Photographer can test out their equipment with the Barn lighting. Just have them call, text or email to set up a day and time to do this.
- There is NO electricity out on the Golf Course for Ceremonies. Please inform your DJ so that they can bring their own generator (guitar, violin, etc. are wonderful alternatives for ceremony music!)
