Our *Carte Blanche* wedding package means you get to have the exact wedding you have been envisioning!

It is meant for the couples who wish to celebrate with their friends and family over the course of a couple days. This means you will get the exclusive use of Le Peaches & Cream from noon the day before your wedding day, to 2pm the day after your wedding.

But mostly, it means you get to enjoy an unforgettable wedding weekend with your loved ones.

Here is a closer look at what our package includes:

## Accommodation

Our villa offers overnight accommodations for up to 21 people, a fully equipped kitchen and two terraces for you to take in the beautiful nature which surrounds us.

The open concept is perfectly designed for you to truly enjoy your time with your guests.

You can unwind before saying « I do » while playing pool in our game room or simply by relaxing in the sun with your closest ones.

It also happens to offer the ideal setting to take pictures and enjoy some bubbles as you get ready with your wedding party before the ceremony.

### *The ceremony*

The ceremony takes place in the fields overlooking our lake. The altar is a spectacular tipi that you can decorate as you wish.

### *The reception room*

Our reception room, also known as the Pavillon, has white washed wooden walls, concrete floors and large glass fire hall garage doors that can be opened or closed, at your convenience.

The ceiling is dotted with Edison lights and white lanterns. This space can host up to 130 guests, rain or shine.

## *The land*

Le Peaches & Cream sits in the heart of a 800-acre estate with access to fields, lakes, hills and many hiking trails.

For our nature enthusiasts, you can organize the rental of paddle boards, mountain bikes, canoes and kayaks. And just like that, your wedding weekend can quickly turn into an adventure with your guests who stayed overnight!

## *Late Night*

Here, late night can also mean all night if you wish!

We have a cozy outdoor fire pit where you can stretch your big day to it's fullest. You have musician friends? Have them bring their instruments for a night to be remembered.
