

Deepwood 2023 Wedding Packages

The Friends of Deepwood offers rentals of the property May through October.

Deepwood Museum & Gardens is a beautiful backdrop for any event with its manicured formal gardens and nature trails, set beside our 1894 Queen Anne style Victorian home and Carriage House. The venue features several gardens, and a tented court all connected by brick and gravel pathways bordered by charming wrought iron fencing and gates. Ivy covered arbors and gazebos provide unparalleled photo opportunities. As a nonprofit organization, we thank you for supporting the preservation of the property by choosing to have your wedding at Deepwood.

Deepwood recognizes that wedding couples have different expectations and needs for their wedding day, and we offer different packages to accommodate those needs. General Information/Guidelines for All Rental Packages

- **Rental Period:** For most rentals, the rental party set-up takes 2- 3 hours and clean up generally takes one hour. Your event (including your set up and tear down work) must be completed within the contract time period. We cannot accommodate early arrivals or late departures of family or vendors. The home is open for tours Wednesday through Saturday from 9 AM until 1 PM, but we can close off the gardens if you wish to have your ceremony period in the gardens (*Victorian Dreams* and *Garden Gala* packages) begin before 1 PM on those days of the week.
- **Rain Plan.** With *Victorian Dreams* and *Garden Gala* packages, the tented court area will be used as the rain plan option if the grounds are deemed too wet by Deepwood staff to host tables and chairs, risking damage to the formal gardens.
- **Parking** is available for 50 cars in our parking lot at the corner of 12th and Lee Street. Additional parking is also available on nearby streets. We recommend that valuables not be left in cars and all vehicles be locked securely.

****Prices as of 7.1.21 Pricing subject to change.**

- **Garden Gala Package:** No bouncy houses/jumpers as Deepwood is a historic property with fragile gardens/landscaping. Lawn games may only be set up in the Hollow Tree Garden or Front Lawn areas.
- **Food/bartending trucks.** If hiring a food or bartending truck that needs electricity, they **must** bring a generator for power as Deepwood's breakers may not support their needs.

- **Driveway use** is limited to vehicles loading or unloading event decorations, equipment or food. All delivery vehicles larger than a minivan must make deliveries to the Deepwood Gardens from 12th & Lee parking lot. Vehicles for the wedding couple's departure (excluding limousines or other oversized vehicles) may be parked in the driveway facing Mission Street. Drivers should use spotters when turning around at the Carriage House to avoid damage to nearby plantings.
- **No open flame** (Tiki torches, candles, sparklers, etc) allowed on property. Candles **must** be in a non-flammable container that goes 1" or more above the wick.
- **Flower petals, lavender buds, or soap bubbles** are Deepwood's alternative to throwing rice, birdseed, or confetti, which are not permitted. Rental party is responsible for cleaning up flower petals before rental period ends. Petals are not allowed on gravel pathways and surfaces.
