

Unleashed *a Winery*

A winery and tasting room in the heart of Whitefish

A mountain tasting room with a unique event space

With over 12 bottles to taste, we offer locally crafted wines including seasonal blends infused with unique Montana flavors.

A place to unwind, gather and be

Unleashed offers a unique space for events of all kinds. We have a private event room which is great for smaller groups of up to 30 people. We've seen guests use it to host bachelorette parties, baby showers, bridal showers, book clubs, anniversaries,

and more! Additionally, we offer the option to rent out the entire winery for the day or the night. This is a great option for weddings, fundraisers, holiday parties, or celebrations with a larger group.

FAQ

Do you offer catering services?

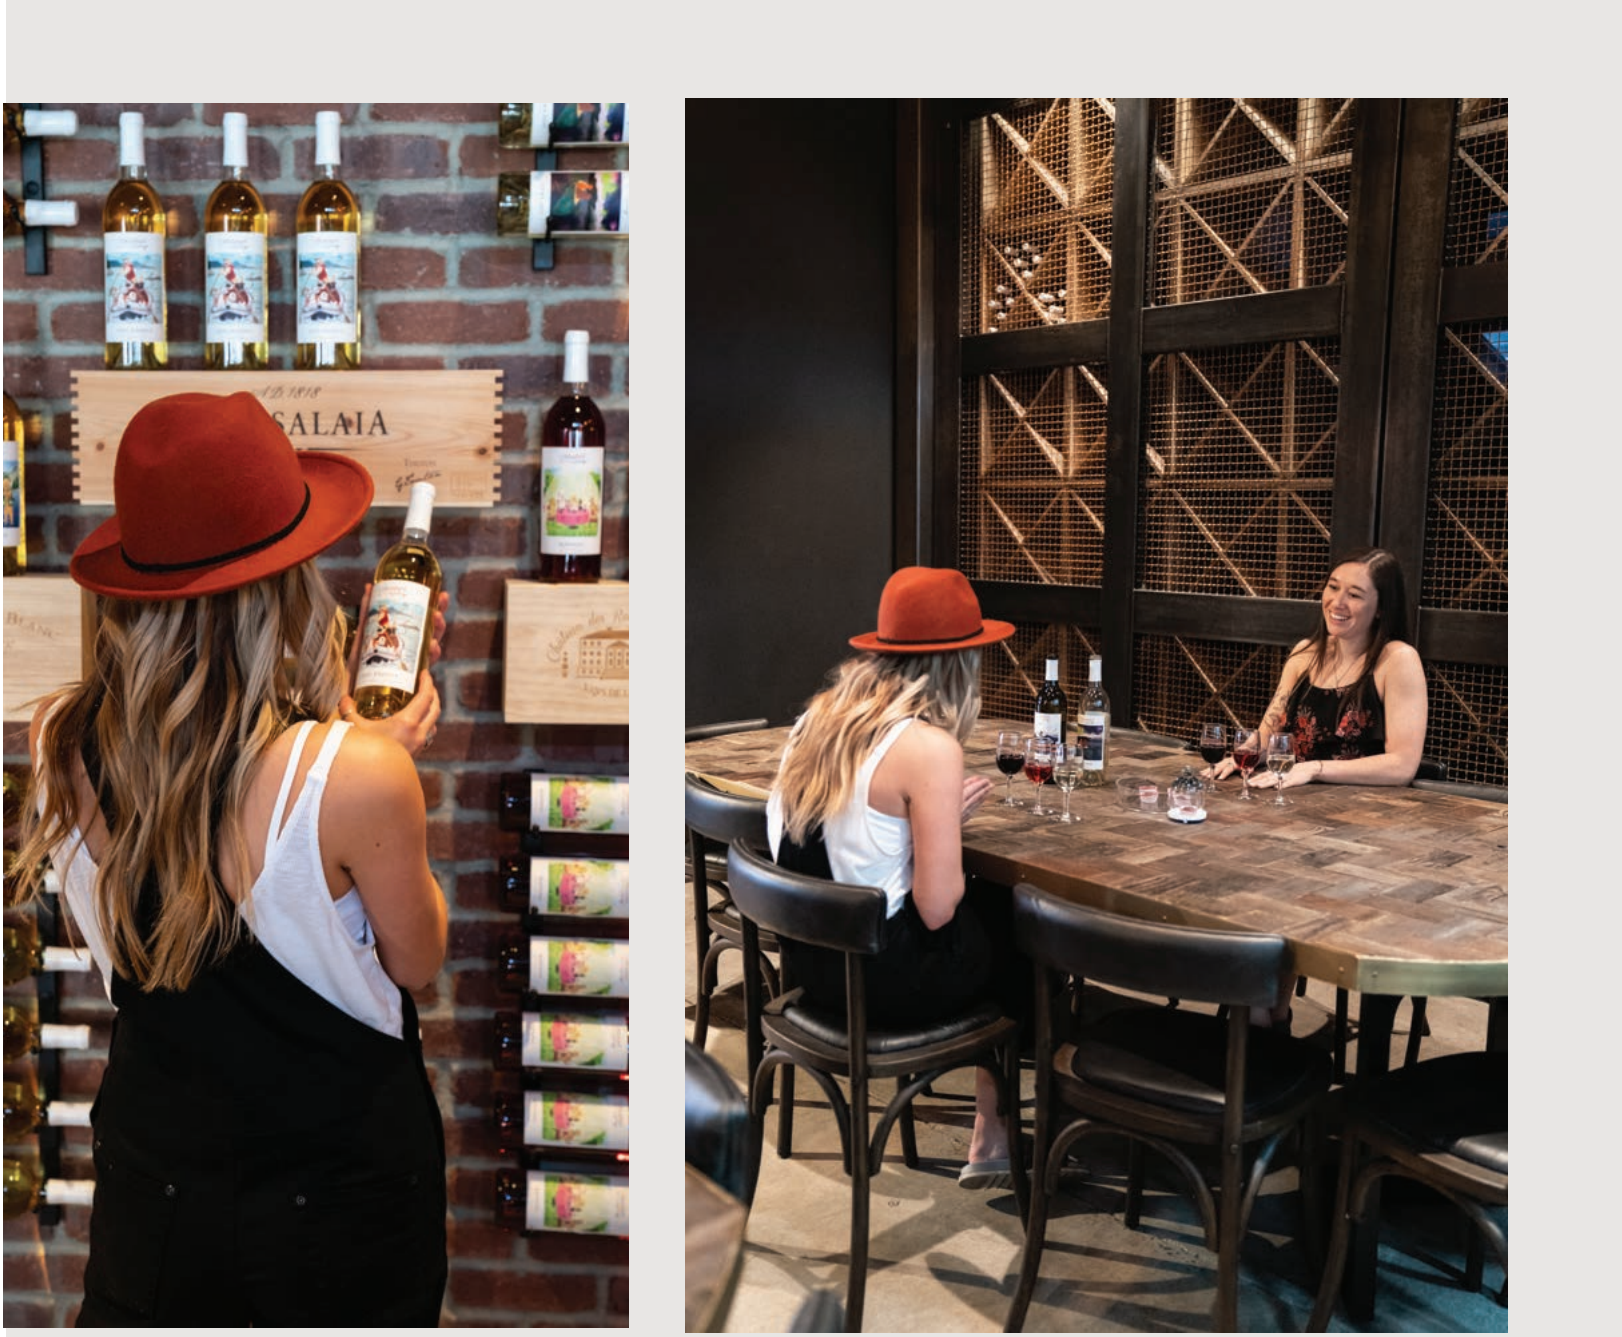

We have a limited menu of cheese & charcuterie & chocolate pairing options and are happy to serve your guests from our menu. If you would like to have catering, we can provide a list of recommended vendors to fit your need (anything from beautiful hors d'oeuvres or a cooked dinner). You are also welcome to bring in your own food to set up and serve for the event.

What food storage and cutlery options do you have?

We have a fridge available on site, so if you need to store a few food items (ie. a cake), we do not have a way to heat or reheat food, so if you are bringing your own please have it all cooked and prepared prior to arrival. We have limited cutlery, so we encourage guests to rent or bring in paper plates and utensils.

Can we bring in beers, spirits, or other alcohol?

Unfortunately, our winery license only allows for the service and consumption of wine on premise. We offer a selection of soft drinks, or you are welcome to bring in your own additional non-alcoholic beverages.
