

About

Grove Hill Events is a wedding and event venue at a working deer farm, on a spacious 600 acres, with a beautiful rustic lodge and cabin, and spectacular mountain views. A veteran and family owned and operated business, we at Grove Hill want the bride and groom to make the space their very own, enjoy all that our paradise in the woods has to offer. Our recently renovated rustic lodge is yours for the weekend, with plenty of room for the wedding party to relax and enjoy and get ready for the big day!

There is ample parking for family and friends, and plenty of area to spread out, relax, and enjoy! Guests can sit inside the lodge by the fireplace, or we encourage you and your guests to explore the property, take a nature walk to see the deer and any other wildlife that may pop out, enjoy the pond on the property, or enjoy a campfire under the spectacular clear starry sky. You won't want to return to civilization.
