RENTAL INFORMATION

You're THE BRIDE, we're THE BAUER and we're meant for each other! We have a charming, vintage-style event space on a unique city block with an incredible, top-story view of our growing downtown skyline; and we know you'll love it here. In 1894, The Bauer Machine Works Building began manufacturing engines, buggies, wagons and surreys. Now, our building features galleries, artists' studios, arts-inspired retail and services and, of course, our one-of-a-kind event space. The Kauffman Center for the Performing Arts, the T-Mobile Center, the historic Power & Light building and the singular TWA rocket ship atop Barkley Evergreen all glimmer through our windows. Local galleries, restaurants and shops are peppered throughout our Crossroads Arts District neighborhood, and the street car is just a hop-skip-and-a-jump one block away from our front door. We'd love for you to be a part of our creative family, and we can't wait to talk to you more about your event!
