

- Thank you for your interest in **Warehouse 18** for your Event.

Our 1870's warehouse is on the new Hickory City Walk in the heart of downtown, within walking distance of local breweries, shopping and eateries. The industrial charm of the vintage brick and original wood are offset by the elegance of the crystal chandeliers and unique finished wood tables with chiavari chairs. The venue features two separate five thousand square foot spaces where you can host both your wedding ceremony and reception, or choose just one space for a fantastic reception, party or business meeting.

Next door is the beautiful 2nd Street Inn that is available to rent through 2ndstreetinn.com. Also, Our wrap-around deck adds over 1200 square feet and looks over the city-walk with views of downtown and the distant mountains.

Historically we were the original storage facility for the railroad companies, and for incoming supplies to our local businesses. Goods and supplies from our local textile companies were then shipped to our building before being sent all over the country.

***It is the Law in the State of North Carolina that all persons consuming alcoholic beverages be of legal drinking age and have proper government issued identification on their person. Any person under 21 years of age attempting to drink will be expelled from the premises as will anyone consuming alcohol in the parking areas.
