RE: Minister License

Dear William Anderson

Thank you for applying for a ministers license with our office. Your application has been approved. Congratulations!

As Ohioans, we know serving others is a great privilege and honor – especially when formally joining two people who want to spend their lives together. We hope your work proves to be fruitful for all involved and that you minister with excellence and truth.

Attached please find a copy of your license for your records. If necessary, now or in the future, please return to the online portal to update your name or address. If you become ordained from a new religious society or congregation, then you must file a new minister license application to obtain an accurate license.

Yours in service,

A handwritten signature in blue ink that reads "Frank LaRose".
