

Looking for a team-building or fun activity that everyone will rave about? Plan your next event at TN Axe and Smash and you're sure to impress everyone in the office or ALL of your friends. Our events are high energy, fun, and SAFE. Not to mention we offer a truly one of a kind experience – unlike some of the boring things you've attended in the past (can we say trust fall? Karen's 50th?)

Events

motivate | build | grow | concentration

Our events are designed to bring everyone together, have fun, grow as a team and even bring a little competition! Working with one of our seasoned event coordinators can help you plan everything: catering, bar packages, swag like t-shirts and koozies, and even a trophy for the winner!

ACTIVITY PRICING

LOCATION

123 SE Broad St. Murfreesboro TN, 37130

Axe Throwing

Our two hour axe throwing parties involve private throwing lanes for your group. This included an unlimited amount of throwing, our digital scoring system, and access to multiple games that are projected onto your target such as Tic-Tac-Toe, Zombie Hunter, Connect Four, Candy Crush, Duck Hunter, and many more!

Axe and Smash

Everyone always needs a little break (pun intended) from the normalcy of life. There is no way better to rally the troops, bring friends together or build comradery than bashing a bunch of stuff together! By adding on the Smash package, and with two separate rage rooms, we will cycle your group through eight people at a time while the others get to watch all the action LIVE from our bar area. While they wait for their time! who said Bill from accounting was the quiet one?

Libations / Provisions

With an array of different options and packages, we have you covered. Let us take on the stress of organizing everything for you. We really are a one stop shop for fun.
