IF I COULD GIVE 10 STARS I WOULD!

My husband and I could not be happier with the wedding experience we had at Music Box. It was the BOMB DIGGITY!

From the initial walk thru to our actual wedding day, the team did an amazing job giving us peace of mind leading up to the big day. Our coordinators were AMAZING to work with and they took the stress out of all the details so that we could truly enjoy our day.

On our wedding day, the staff was absolutely incredible and made sure our guests got their food and drinks quickly. Speaking of food - it was by far the BEST WEDDING FOOD we've ever had! Our guests were raving about it and we loved all the options Music Box provided.

For our reception, we were on the lower level and loved having the garage door open on our dance floor. It made for a super unique experience and it was great cooling off outside with the beautiful view.

**If you're considering Music Box for your wedding then just make your life easy and BOOK THEM!
You won't regret it!**
