LOVE NOTES

Recent Reviews from Local Couples

Everything from the venue, the food, and the overall feel and look of every little detail was amazing! Everyone kept saying how our wedding was truly a storybook wedding, and it really was! We could not have done it without the team's help. It was a day that I will never forget, and I am so thankful to choose Craftwood Peak as our wedding venue!

Christine

We had multiple guests tell us that our wedding was the most beautiful wedding they have ever attended and the food, the food is to die for. You are in the most capable hands from start to finish, and every detail is perfect. The location is magical, the food is divine, the service is beyond professional, and the level of expertise is so apparent in the perfection of your day. Do not pass this venue up!

Natalie

Craftwood Peak is a stunning venue indoors and outdoors. I love the historic property and the incredible landscaping - plus the bridal cottage/groom's den cannot be beaten! The wedding package included flowers, a DJ, and cake, all of whom worked with me quickly and efficiently to produce AMAZING results! This team is organized, professional, classy, and romantic. Our wedding was just gorgeous, low-stress, and good value overall. Very highly recommend this venue and this team!
