A Premier Venue For Business and Milestone Events

Picture an historic Knoxville suburb, conveniently located at the crossroads of Interstates 40 and 75 and just three miles west of Farragut. It is a peaceful escape from the city crowds, while robust with local and national retail shops, restaurants, accommodations, and, of course, southern hospitality.

Now imagine...

- A spacious venue with hundreds of five-star reviews on a multitude of social platforms, praising its facilities and staff.
- A Venue that can host 10 to 1,200 guests, with both indoor and outdoor spaces.
- A Venue that can accommodate parties and weddings; meetings, conferences and conventions, expos and tradeshows, and fundraising events of all types.

During my tour, I was amazed that such a wonderful facility was available and affordable to us. The facility was first class in every way that I could think of. The place was clean, spacious, and had the technology that I was hoping for. All this is good, but what was incredible was the staff. During every aspect of this fast approaching event, the staff response was one of helpfulness and accommodation above and beyond what I anticipated.

When the day of our event took place...the staff was ready for us. Everything was set up as promised and the staff arrived early, ready and eager to help. I have run many events over my 30 years of experience...in several different states...locations such as Six Flags, Lucas Oil Stadium, and even private churches. This staff was the most professional and accommodating, with a willingness to be of service and to insure our event was as successful as possible.

Throughout the day, they were always on top of what needed to be done...from taking out trash to keeping the water stations filled at all times. They helped direct traffic in the morning and at the end of the long day, moving close to 800 cars out of the parking area with a controlled, safe plan for dismissal, all within a 30-minute time frame. They did everything with enthusiasm, including tearing down our event to set up for the next day's group in record time.

~ A. Forsythe (exceptrs from client letter)

RULES FOR ALCOHOL SERVICE

There are serious liability and safety considerations to consider when planning to provide alcohol at your event. The Venue is not a commercial bar establishment; therefore, it has much tighter rules regarding the service of alcohol. While rules will be posted at the bar, it is ultimately the responsibility of the client to inform his/her guests of the expectations.

- **Special Occasion Insurance may be required** (see event agreement).
- **All alcohol must be provided by the client or caterer and be served from behind the bar.** Any other alcohol discovered will be confiscated and will NOT be returned the night of the event*.
- **If the client is utilizing Venue-provided bartenders, only beer, wine and up to 2, pre-mixed “signature drinks” may be served.** If a client requires a more complete/full bar, a Venue-approved outside bartending service must be hired (see “Vendor” page at www.VenueLC.com for a list).
- **Clients may NOT provide their own bartenders**, even if they are ABC-permitted.
- If the client chooses to utilize The Venue’s bartenders, venue will provide the bar, bartender, corkscrews/bottle openers, and ice. Anything else required for bar service (cups, cocktail napkins, garnishes, etc.) must be provided by the client.
- If the client chooses to hire a Venue-approved outside bartending service, all items required for service (cups, cocktail napkins, mixers, garnishes, etc.) must be contracted through the service or provided by the client.
- ID is required from anyone seeking an alcoholic beverage from the bar.
- **NO SHOTS** are allowed under any circumstances.
- **Only one drink per person, per visit to the bar is allowed.** Guests may not get drinks for others.
- Any guest caught getting alcoholic beverages for another person will receive a warning. If behavior is repeated, the guest will be escorted from the property.
- The Venue management and/or bartenders may use their discretion to stop serving anyone who, in their judgement, appears intoxicated. This is for the protection of The Venue, the client, and the intoxicated guest.
- Anyone under the legal drinking age of 21 caught with alcohol will be escorted off the property without a warning.
- **Open containers are not allowed outside the building**, with the exceptions of the patio and the rear courtyard.
- **The maximum number of hours a bar may be open is five (5).**
- **All bars must close by 10:30pm**, and/or at least 30 minutes prior to the scheduled event ending time.
- **For private/social events, one (1) security guard per 100 guests is required.** Security is arranged through The Venue.
 - Security may check bags at entry for outside alcohol, as it is not allowed in the facility. Any found alcohol will be confiscated and will NOT be returned the night of the event*.
 - Security will patrol the parking lot for “car bars” or “tailgate bars,” neither of which are allowed. Anyone caught drinking in their vehicles on premises after being warned will not be allowed back inside The Venue.

** Confiscated alcohol will be held for one week and can be picked up ONLY during The Venue’s regular business hours (Tuesdays through Fridays from 9:00am – 5:30pm).*
