the Davis Nature Pavilion

About the Venue

The Susan and Jack Davis Nature Pavilion is a four-season, accessible building situated along our Central Pond Loop, overlooking the prairie. The building features 270 degree views, five sets of french doors, a covered porch and high vaulted ceilings, giving it a natural, open and airy feel perfect for your special day. The building is also equipped with plumbed restrooms, central heating and air to provide a comfortable setting for your event year round.

Site Details

- The building's maximum indoor capacity is 100 people, including the wedding party.
- Wedding rentals include the use of the countertop area, movable bar, 8-person round tables and chairs.

Serving Alcohol

In order to serve alcohol at your event, we will help you pull a permit with the City of Lansing and contract with a bartender certified to serve in the State of Michigan. Cash bars and hard liquor are not allowed.

Selecting Vendors

Fenner Conservancy does not require you to use our preferred vendors. However, a list of our preferred vendors who are familiar with our site is available by request.
