VISION

Have you been dreaming about an intimate, authentic wedding celebration amongst your most favourite people ???

Weelllll, we've got some good news for you.

Imagine being nestled in a pocket of old growth boreal forest surrounded by the sweet melody of nature.

Think of a unique, handcrafted dome style tent experience, adorned with Tulum inspired artisanal, textural and natural decor, one of a kind handmade concrete tables, a bohemian chic lounge area, and dancing the night away taking in the sweet aroma of crisp forest air...whilst under the canopy of millions of stars, right in one of the world's dark sky preserves. Truly...can we say more!

We get that planning a wedding can be a herculean task, and juggling a bevy of vendors is not for the faint of heart.

Our ultimate desire is for you to have a magical experience without the stresses of all the planning. Our dedicated team is here for you.
