Wine of your choice may be purchased by the case at a 10% discount. Daniel Vineyards is a boutique winery, meaning our production of some of the select wines is small. If you have tasted the wines and made a selection of a wine that is in short supply it may be advantageous to have the wine held in your name to ensure that it is available to you at the time of your event. A \$25.00 charge per case is required to hold any wine.

Note: Daniel Vineyards does require a \$25.00 re-stocking fee if for any reason the wine is not purchased.

We realize that your guest list may not be finalized until closer to the date of your event. Please keep in contact with your Daniel Vineyards representative with any changes, questions, or concerns as soon as these issues arise. Your cooperation is appreciated and will ensure your event is perfect as planned.

It is always a safe practice to have a responsible person in your party or a **Daniel Vineyard Bartender** to pour the wine for your guests.

It is our goal here at Daniel Vineyards to have everyone enjoy your event and to arrive at their destination after your event in a safe manner.
