AT THE AVILA BEACH GOLF RESORT

WELCOME TO THE AVILA BEACH GOLF RESORT

Breathe in ...

... the refreshing sea breeze and tease your eyes with our manicured beachfront lawn that lines a sparkling blue estuary leading into Avila Beach's oceanfront. Feel the soft warmth of the Central Coast sunshine on your shoulders. Where the course's landscaped grounds meet the coast's scenic views, the Avila Beach Golf Resort cultivates a brilliantly balanced backdrop that is both energetic and polished. Avila Beach is truly the Central Coast's "Pocket of Sunshine"!

Conveniently located just three miles off Highway 101 in the heart of the Central Coast, halfway between Los Angeles and San Francisco, the Avila Beach Golf Resort is poised on the curve of the San Luis Bay. An emergence of upscale restaurants, posh shopping, and boutique hotels are quickly transforming the casual beach community into a bustling locale. Positioned on the edge of San Luis Obispo's downtown center, the city of Avila Beach serves up cheerful elegance, refreshing views and theatrical sunsets.

A quick walk from quaint seaside lodging, our private beachfront property is moments away from the charming Avila Village Inn, Avila Lighthouse, Avila Pier and Seaside Village, Port San Luis Harbor and Avila Valley Barn — creating the framework for a picturesque day. If staying in Avila, your guests can leave their cars at their hotels and enjoy a short walk over to the Golf Resort for your wedding! Mr. Ricks, a bar located across from Avila's Pier, is a great place to keep the party going!

The property presents a variety of inviting settings: enjoy intimate candlelit dining along the shore, watch the sunset sipping on a crisp glass of local wine, and dance the night away under the warm glow of a string-lit velvet lawn.

Breathe out ...

And relax as our dedicated staff helps you customize the wedding of your dreams. Every detail of your wedding is handled with efficiency and grace. Our different reception packages include open-air, in-room and tented options. Home of the Avila Beach Blues Festival, Tequila Festival, and POPS Symphony Concert by the Beach, rest assured that the Avila Beach Golf Resort knows how to throw a party! In fact, we've been celebrating successful events of all kinds since 1985. With that comes the resources and experience that enables us to offer you the exceptional service you deserve and an enthusiasm that makes planning your event not only a breeze, but fun, as it should be.
