# Testimonials

“We had our rehearsal dinner here and could not believe how perfect it all was! The food was excellent and the venue was spectacular. They worked closely with our wedding planner to make sure everything was perfect, and it was! We got tons of compliments and would highly recommend for your next event!”

**Lauren Firestein**  
Happy Client

“A really swanky place, complete with silver-framed mirrored hallways and walls, to a Deco Bar that will make you catch your breath. Dine here, lounge here, cocktail here, be seen here...it's a luxurious getaway with that speakeasy feel that gangster-era St. Paul is famous for.”

**Harrison Deckard**  
Happy Guest

“Aaron and I wanted to reach out to say thank you for your help in executing our reception last weekend - it was a really fun event and our guests enjoyed it very much!”

A black and white photograph of a restaurant interior. At the top center, a large, multi-tiered chandelier hangs from the ceiling. Below it, the words "The Commodore" are written in a large, elegant, cursive script. The background is a blurred view of the restaurant's interior, showing tables and chairs. The entire scene is framed by a dark border.
