Hosts	May bring in water, food, and other provisions. No BYOB allowed.
Weather	The Music Box Village occasionally closes due to rain or conditions on site. We will work with you to reschedule your party in the event of inclement weather.
Supervision	Exploration and play is encouraged at the Music Box Village but please be cautious. The site is an art garden, not a playground. It is an at-your-own-risk space and close parental supervision is required at all times. Failure to adequately chaperone children may result in Open Hours staff to end the party early.
