

EVENTS

and much more

Located in the heart of Chattanooga's Historic Southside, the Coker Museum is a unique space to have your event. We can host your corporate event, celebration of life, birthday party, class reunion, banquet, rehearsal dinner, or wedding reception. With more than 13,000 square feet of space, over 100 vintage cars, motorcycles, trucks, buses, and even three airplanes hanging overhead, your event will definitely be unforgettable.

With our wide array of vintage cars in the museum, we can move and display many vehicles to create a unique space for your event. We can be with you through every step or for a portion of your event. We are excited to help you create a memorable event. To see more photos of our space, please go to <https://cokermuseum.com/>.

We would love to show you around the venue and discuss your vision. The Coker Museum is a hidden gem you do not want to miss. Whether you're a vintage collector or just appreciate a unique event space, we think you'll love what we have at The Coker Museum. Call or visit our website for more information!
