CONGRATULATIONS!

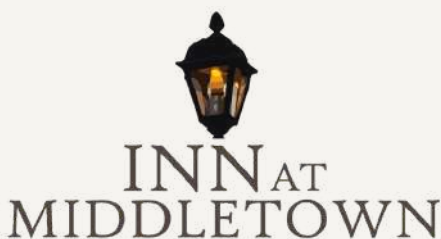

We are so excited that you are considering the Inn at Middletown for your special day! Our beautiful 1810 building is the perfect setting for an intimate wedding ceremony and private reception. Our colonial-era furnishings and stunning two-story curved staircase will transport you and your guests to a time of classy elegance. Our rooms are tastefully decorated with classic New England charm and style, and we can't wait for you to experience the magic of our historic inn.

When it comes to the food, you're in great hands. Our award-winning restaurant, the Tavern at the Armory, will cater your event and delight your taste buds with their traditional New England fare. Our Weitzman and Wesleyan rooms have large picture windows that offer a breathtaking view of Middletown's Historic Main Street, named "America's Most Romantic Main Street" by Huffington Post. And for smaller, more intimate celebrations, our Patriot room offers a cozy and romantic atmosphere.

The Inn at Middletown is the perfect combination of historic charm and romantic elegance, and we are thrilled to welcome you and your loved ones. We look forward to making your special day one you will always remember.

Warmly,
The Team at the Inn at Middletown
